Matthew 14:13-21 Feeding the five thousand

13 When Jesus heard what had happened, he withdrew by boat privately to a solitary place. Hearing of this, the crowds followed him on foot from the towns. 14 When Jesus landed and saw a large crowd, he had compassion on them and healed their sick. 15 As evening approached, the disciples came to him and said, "This is a remote place, and it's already getting late. Send the crowds away, so they can go to the villages and buy themselves some food." 16 Jesus replied, "They do not need to go away. You give them something to eat." 17 "We have here only five loaves of bread and two fish," they answered.

18 "Bring them here to me," he said. 19 And he directed the people to sit down on the grass. Taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke the loaves. Then he gave them to the disciples, and the disciples gave them to the people. 20 They all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces that were left over. 21 The number of those who ate was about five thousand men, besides women and children.

Reflection

In this scripture students are exploring the formation of the Church and the loving community that gathers in God's name. Kindergarten are beginning to identify themselves as a parishioner in their Church community building their vocabulary by making clear links to the scripture and the symbols of the Holy Bread, Holy Wine, the five thousand people. The students have made connections with these symbols with what they see in their local parishes and at Sacred Heart Parish. We have also explored key items in the Church, Fr Walter's role and the Eucharist.

This week we have been looking at times we go to Church to celebrate, as well as beginning to make links between the seven Sacraments and celebrations in the Church. We explored the Sacrament of Baptism and students identified themselves as becoming a part of God's loving family during Baptism.

Kindergarten embodiment of the scripture, 'Jesus Feeds Five Thousand' and the Sacraments present.

Sacred Heart Feast Day Celebrations

What an amazing day spent celebrating the Feast of the Sacred Heart of Jesus on 8th June.

There were so many people involved in the preparations for this event and I would like to extend a huge thank you to all involved in making the day such a success.

The parent interest group included, Mrs Zamora, Mrs Bejjani, Mrs Nader, Mrs Gahdmar, Mrs Saade, Mrs Karam, Mrs Alwan, Mrs Nehaime, Mrs Maroon, Mrs Ishac, Mrs Elkhoury, Mrs Elias, Mrs Rahban, Mrs El-Koura, Mrs Loulach, Mrs Anjoul, Mrs Nouh.

They went to the trouble of donating cupcakes, making jelly cups, running activities such as hairspray, nail polish and face painting, helping with the sausage sizzle and supporting at the disco with ticket sales, glow stick and canteen sales. Thank you to Mrs Nasr for the amazing balloon decorations that added to the festivities of the day and thank also to Mrs Anjoul who organised the Coffee Van for the night. A special thanks to Fr Walter and Deacon Jack who offered their help throughout the whole day.

Lunch was provided generously by Mr Kingsley and Fortis Partners as a special treat for the students and we thank them for their support of the feast day. Thank you to Mr Brancatisano for helping cook the BBQ.

Our REC Miss Isaac and all the teaching and support staff who ably helped in planning and preparing different aspects of the day, as well as gave up their Friday night to be at the Disco to help, thank you for your generosity.

We are very blessed to have such a caring and life giving community.

Stage 2 Environment Initiatives

The Stage Two students have decided to make the following changes at Sacred Heart Primary School in order to make a positive impact on our environment. These changes include:

1. **Composting:** Fruit and vegetable scraps are collected for our school compost and garden. We have contacted Bunnings Warehouse to help set this up.
2. **Reusing ziplock bags:** We are asking the school to wash and reuse their ziplock bags from lunches for the whole week.
3. **Paper bag recycling:** Paper lunch bags are to be collected in the recycling bin, not the waste bin.
4. **Taking food home:** Students are encouraged to take food home that they cannot eat each day to have as afternoon tea, instead of throwing it away in the bin.
5. **Points for tidy areas:** Students with the tidiest eating area each day will receive points. The Stage with the most points each term will be rewarded.

The Stage Two students are keen to have the support of the whole school community with this initiative and they looking forward to seeing the positive impact that we can all have on our immediate environment.
