

JESUS LIVE IN OUR HEARTS

Jesus' Mission, Our Mission and the Reign of God

The Stage 3 students have been exploring the mission of Jesus and how, through our Baptism we are called to carry out the Mission of Jesus, which is to bring about the reign of God on Earth. They have explored various Scripture passages that highlight Jesus' ministry and the statement that had the most influence on them was from the prophet Micah 6:8 ***"Act Justly, love tenderly and walk humbly with our God."*** They felt that this was a summary of Jesus' teachings and a reminder to us all about the way we should act.

Jesus' mission on Earth was to preach the Good News of God that he will save and forgive us from our sins. He came to bring about peace and lead more people to God. Jesus' mission relates to my mission as I believe peace and unity should be spread throughout the Earth. I must do what is just and show constant love to all. In order to bring about the reign of God we must live in humble fellowship with God. (Marcus Cooper)

Overall I believe Jesus' mission is to help everyone to follow the right path of love and care and make the Earth more like Heaven. Jesus was also sent to give the people a wake up call, show them how to act and to understand that Jesus would forgive their sins. Our mission as Christians is to follow the path to Heaven by treating each other with respect and justice. (Suzana Menassa)

Jesus' mission on Earth was to bring about the reign of God which is basically bringing Heaven to Earth. His mission was for everyone to be treated equally which is reflected in the Scripture passage 'Right Judgement' which talked about feeding the hungry and giving clothes to the poor. This links to my mission as I must strive to achieve the reign of God on Earth by preaching the Good News of God to everyone. (Elizabeth Brown)

I believe Jesus' mission was to create world peace and bring a Heaven like atmosphere to Earth. Jesus spread the Good News of the Lord so that we would have more believers. He also gave us forgiven for our sins and eternal life. The reign of God, I believe, is the Kingdom of Heaven and one day we will all enter the Kingdom of Heaven if we have lived according to what God wants. Therefore, my mission is to follow in God's footsteps and bring peace to the world. (Gabreilla Logiotatos)

Micah 6:8

We are called to do the right thing and to show fairness to others. We must be compassionate and caring to those in our community, especially those who need the most mercy and love. We are required to live in humble fellowship with each other by walking in the footsteps of Jesus. (Awan Singh)

Honour Awards

Congratulations to the children who received an Honour Award for Resilience

Kindergarten: Joseph Abousleiman

Year 1: Imogen Burns, Paul Eid

Year 2: Andrea Ruperto

Year 3: Charbel Frim

Year 4: Paige Haddad

Year 5: Molly-Kate Costello

Year 6: Alana Kaleda

This week the children will focus on the value of Truthfulness.

P&F Meeting

Our last P&F meeting for the year was held on Tuesday night. Unfortunately very few people attended. The P&F has been an important forum at Sacred Heart and it is a platform for parents to share their ideas and work closely with the school for the common goal - improving the learning and faith needs of all students and to build a very strong Catholic community.

My sincere thanks to the P&F leadership committee led by Mr Pedro Sampaio and the parents who attend each term. Your contributions have been valuable in ensuring all stakeholders have an opportunity to have a voice in many decisions that happen at school.

Mr Sampaio has worked creatively in trying to attract more interest in the P&F and has put in great effort to make it a viable and dynamic committee. I invite parents to make suggestions to Mr Sampaio and the leadership team so we can continue to adapt to community needs.

The minutes of the meeting will be shared shortly.

Tree Audit and priority action

Next weekend several trees will be removed from the school and parish grounds as required by new regulations. 10 trees will be removed and 25 trees will be pruned to comply with safety protocols.

Canteen Roster

Week 6

| | | |
|-----------|---------------|--------------------------------------|
| Monday | 10th November | Jenni Walters Michelle Barletta |
| Tuesday | 11th November | Volunteers Needed |
| Wednesday | 12th November | Rosanna Jaure |
| Thursday | 13th November | Shobha Jambagi Antoinette Boutros |
| Friday | 14th November | Doli Tyler, Rita Frim |

Kindergarten 2015 Information Night

Next Wednesday the 12th of November, we welcome to our school our new and current families to our Kindergarten Information night. The night will begin at 6.30pm with a cuppa and a get together followed by the meeting that will commence at 7pm. I look forward to meeting with our families on the night.

Personal Development Night

On Tuesday the 11th of November at 7pm, the children and parents of Stage 3 will gather in the Stage 3 learning space for our personal development night. If you are unable to attend please inform the class teacher.

Lost Property Explosion

Parents please check that your child has their jumper or jacket. We have an overflowing basket of lost property in the office. If jumpers are not claimed they will be donated to the second hand shop. Please label all clothing.

Spellathon

The children completed their Spell-a-thon test today.

Congratulations to the children for the time and effort they have put into learning their words for the test.

Children are now able to begin collecting their Spell-a-thon donations and returning the total money pledged to the office in an envelope with your child's name and class. When all monies have been returned to school, children who have collected more than \$50 in sponsorship will be placed in a draw to win a great bonus prize.

I wish to sincerely thank our parents, family and friends for your support and generosity.

Special Treat Tuesday Lunch

Next week's lunch special for Tuesday 11th November is "Pluto Pup" (Frankfurt in batter) \$2.00 each

Please return the order form inside a lunch order bag with money to the office by Friday 7th November.

Australasian Problem Solving Mathematical Olympiad - 2014

Congratulations to all of the children from Years 3 to 6 who represented Sacred Heart Primary in the 2014 Australasian Problem Solving Mathematical Olympiads. During Terms Two and Three, the children sat a total of five Olympiads, competing against children from schools in Australia and New Zealand.

A big congratulations to Wesley Gan, who received a trophy for achieving the highest individual score for our school. His results also placed him in the top 10% of the Olympiads. Well done, Vrinda Shah, who received the Encouragement Award. Vrinda showed determination throughout the Olympiads, and put in a tremendous effort.

Catherine McAuley Westmead

YEAR 7 2014 ORIENTATION DAY

The Year 7 2015 Student Orientation Day will be held on

FRIDAY 7TH NOVEMBER 2014

commencing at 8:30am

Students are to assemble in Mercy Square by 8:30am to have their name marked off and will be welcomed by the Principal, Ms Laetitia Richmond.

During the day, the girls will meet their teachers, be introduced to specialist areas of the school, and enjoy time getting to know their peers and becoming more familiar with their new surroundings.

Lunch will be provided but the girls will need to bring morning tea and a drink.

The day will include outdoor activities, so the girls should wear their normal **primary school sports uniform** on this day. Students are to wear their **sports hat** and **sunscreen**. Students may also bring a notebook if they wish.

Students should not bring mobile phones, ipods, valuables or much money, although they can use the canteen at morning tea.

Students can be collected from the school Bus Bay from 2:00pm - 2:30pm.

Students staying to travel home with their sister/friend or bus will go to the Morley Centre to watch *McAuley's Got Talent*.
