Child Protection Requirements

Dear Parents

It is a requirement that all volunteers complete the Online Child Protection Module every two (2) years if you wish to volunteer your time to assist with the classroom, sporting events, canteen or attending excursions.

If you are unsure if your Child Protection is up to date, please contact the school office on 9635 1758.

You can update and complete your training at the following site:

<http://childprotection.parra.catholic.edu.au/training>

Once the page has loaded, click on the 'Child Protection Training' link to commence your training.

Please ensure you keep a record of the email sent to you notifying that you have completed the module.

Thank you for your ongoing support and volunteering your time to help our school. Your generosity is appreciated.

Yours faithfully

Miss Mary Harb
